

# 2024 Supervision Training

## With Natalie Jack

Hello! Here is my training calendar for 2024. I'm excited to be offering four different training courses on the topic of supervision. I'm confident there will be something here that meets your supervision learning needs, and I hope you can join me in - Nat

### Learn Supervision In 2024

#### Supervision for Supervisees

February 22 or July 25

How to get the most out of your supervision and be a superstar supervisee! (2 hours - \$150)

#### Essential Skills for Supervisors\*

April 19 or August 23

Just the basics (and the best bits!) to get you started with your first few supervisees or students (1 day - \$450)

#### Developing Supervision Skills\*

May 23 & 24 or September 19 & 20

The complete first module of the Successful Supervision course; the start of being a great supervisor (2 days - \$800)

#### Successful Supervision

March 1 - 28 or October 1 - 29

My signature comprehensive course for supervisors. Basic and advanced modules plus group supervision and ethics in practice (5 days - \$1800)

\*The cost of these courses is partially redeemable for an enrolment in the Successful Supervision course for the same participant.
